A minimalist in Mustique, a trader in Tangier, and many more

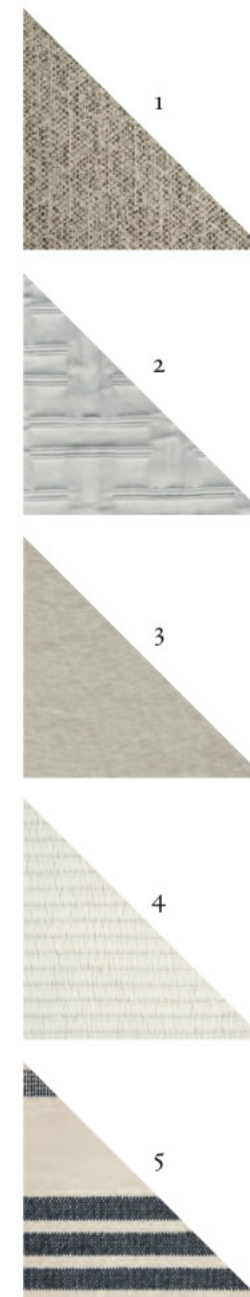

Plains Sailing

When you get hot under the collar, sometimes a calm, unpatterned fabric in a cool weave is just the ticket. And let's face it, situations don't get much more high-pressure, meteorologically speaking, than the steamy Andaman islands in the Indian Ocean. Here, in his hammock, Max Egger lies back and thinks of linen. Photography: Sahil Behal
